REDUCED. This top of the range Autotrail Frontier Dakota was first registered on 01 October 2013, and has covered only 16,294 miles. It is in fabulous condition both outside and inside, with the usual high spec Autotrail build quality (I have an Autotrail myself). The mot expires on 13 May 2023. The motorhome is based on a Fiat Ducato with a 2.3 litre 150 bhp diesel engine and 6 speed manual gearbox. It weighs 4,250 kgs, so you will need a C1E license to drive it. The vehicle can sleep 4 people, but has only 2 belted seats. The layout comprises a dinette area behind the driver, and a fixed double bed, with the washroom across the rear of the vehicle (with toilet, hand basin and enormous separate shower). The kitchen area is opposite the habitation door, and consists of sink, cooker with 3 gas rings and 1 electric
